Dear Parent(s),

Congratulations. Your son / daughter is participating in the 2007/2007 FIRST Robotics Competition, as a part of the Sabre Bytes Robotics team. The Sabre Bytes Robotics Team is an exciting and dynamic opportunity to participate on a school team. While the main goal of the team is to build a robot which will compete in the F.I.R.S.T. robotics competition, the team is much more than just building a robot. It is a unique way to learn about all aspects of entrepreneurship and business management. Participation on this team enhances your teenager's organizational and communication skills, and above all, shows them the power of teamwork.

We expect your attendance at a Parent Information Night to learn more about the Sabre Bytes Robotics experience. At this meeting we will:

- Introduce you to the team;
- Provide an overview of the organizational structure of the team;
- Review rules and regulations of the team;
- Outline information regarding the competitions;
- Answer your questions.

Date: Tuesday, November 13, 2007

Time: 7:00 p.m.

Location: Sandwich Secondary School Cafeteria, enter through the back entrance

***Attendance for this meeting is mandatory. Not attending this meeting will result in your child's removal from the robotics team. If there are extenuating circumstances, please call Mr. Ferguson during school hours.**

Thank you in advance for your co-operation and support of our team,

Amanda Iarusso, Leader of Public Relations

Adam Bulkiewicz, Team Coordinator

Mr. David Ferguson, Teacher Advisor

(Please cut, and return to Amanda Iarusso, Leader of Public Relations, by Monday, November 12, 2007. Please print.)

I, (*guardian's name*) _____, guardian of (*child's name*), _____
